Price	\$29,000.00
Sales Price	\$24,999.00

**Description**

Equip Serial No. 24524439

**This machine is a mobile electric power source consisting of a trailer-mounted cabinet containing an electric alternator a fuel tank and a diesel engine. A control panel receptacles and connection lugs are provided on the side of the cabinet. As the engine runs the generator converts mechanical energy into electric power. The operator connects loads to the electric power receptacles and connection lugs.**
